Best location, best life! We are offering for rent a premium category, freshly renovated and designed 125 sqm apartment in the most frequent bank quarter of Budapest. The property is on the first floor in a historical building which has new elevator, and includes two bedrooms, work room, living room with a fireplace, a well equipped, mechanized kitchen with dining room, a bathroom with a separate laundry room and a separate restroom. Additionally, it is furnished on a full scale (air-condition, alarm system, safe, kitchen equipment, bedding, towels), and the specialty is that it is immensely calm and quiet, considering the fact that the apartment is located in the heart of the city. For parking it's possible to rent a garage in the area.
