We offer 2-storey, newly built, semi-detached house for rent at Pesthidegkút next to the nature conservation area near the French school. There are 4 bedrooms, a bright living room with fireplace, 3 bathrooms and a well equipped, American style kitchen in the property. A balcony, a terrace, 2 garages, a sauna and a common used garden with automatic watering system also belong to the alarm protected and air conditioned property. Because of the area and the size, it is ideal for bigger families.
