A 130 sqm, unfurnished apartment is for sale in District 5 at Vörösmarty tér. It is situated on the 4th floor in a classical building equipped with elevator. It consists of 3 rooms, a separated bathroom and a restroom. The apartment has got air-conditioner and a balcony with panoramic view to Vörösmarty square. Thanks to the good layout and location, it is a really great option for office use. It is also an excellent choice for using it for living, but in this case, it needs some renovation. If you need further information or would like to visit the flat, please feel free to contact us!
