We offer for sale a great apartment in the heart of Budapest, on Teréz körút, on the 4th floor of a nice, renovated house. Located in a building with elevator, this 84 m² apartment is ideal for those who want to live in the city centre. The balcony from the living room offers a beautiful view of the city. The apartment currently consists of a living room, a bedroom, a separate kitchen, a storage room, a toilet and a bathroom, but can easily be converted into a two-bedroom apartment. It has been renovated and is in good condition, unoccupied and ready to move into. Great opportunity for families, young people or investors. If you are interested, feel free to call and see this conveniently located property!
