Charming 2 bedroom apartment for sale with Panoramic view on the National Museum, in a protected classical building, with character. The spacious, bright, 101 sqm apartment is located on the 2nd floor of the classical building on Múzeum krt. It consists of 2 spacious bedrooms, one facing the National Museum and its beautiful garden, the other one the inner courtyard, looking at the historic city wall, which puts the building in the protected status. It has a good size living room, a separate kitchen and 2 bathrooms, all with a very sensible and good layout. The heating runs with gas fired circulation boiler, the bedrooms have airconditioning. The apartment is in good general condition, it was renovated about 10 years ago. The built-in furniture is included in the price, some of the other furnitures can be purchased separately. Besides being in the heart of Budapest, its location between Astoria and Kápolin tér provides excellent public transportation connections, 3 metro lines, tram, bus and trolley bus lines within 2 minutes of walk. Several trendy cafes, bars, restaurants are also within easy reach, and it is close to a number of university faculties as well.
